Ms. Darlene M. Connelly
General Counsel
President's Foreign Intelligence
Advisory Board
New Executive Office Building
Washington, D.C. 20503

Dear Ms. Connelly:

This report is submitted pursuant to Section 2.4 of Executive Order 12863 and guidance from the Assistant to the President for National Security Affairs dated 18 August 2006. It covers the period from 1 July to 30 September 2006. This quarter, we have identified no matters that meet the standard of Executive Order 12863 or may be of general interest to the Board.

With regard to the aforementioned 18 August 2006 correspondence, please be advised that my office does not have any published internal policy relating to reporting to the Intelligence Oversight Board (IOB). Instead, each Office of Inspector General (OIG) staff has a monitoring and reporting format that allows staff management to determine how cases are processed and whether new cases must be reported under established reporting requirements. OIG Counsel initiates the process by providing a quarterly reminder to each OIG staff with regard to IOB reporting requirements. Counsel is responsible for preparing the report based on the staffs' responses. This periodic call brings about a review of potentially reportable materials for the period. The understandings within OIG of what must be reported are based on Executive Order 12863 and Counsel's guidance regarding the quarterly IOB requirement. In addition, OIG management meets regularly to discuss areas of concern and current issues. In the course of these meetings, OIG management considers matters that need to be pursued by OIG and reported to the IOB.

Please let me know if the Board has questions with regard to our work or if I may be of assistance in any way.

Sincerely,

A rectangular box intended for a signature, currently empty.

John L. Helgeson
